

K-SCHLAUCH KUPPLUNG SET STAN

Hose and coupling kits, with straight hose and DN 7.6 standard coupling

Ekspluatācijas spiediens
16 bar
Vielas temperatūra
-20 °C to +60 °C

Apraksts

Couplings: High-grade single-handed quick-release coupling and safety coupling in steel / brass zinc-plated for high flow rates, specially designed for all applications with high mechanical wear. Strong, impact- and vibration-resistant construction for challenging applications. Polyurethane hose
Exceedingly flexible, extremely kink-resistant and tolerant of dirt spiral hose with high resilience under tear, tensile and impact loads with a long service life and outstanding ageing qualities. It is also UV resistant and has outstanding abrasion resistance.
